

Wound Care Nurse Practitioner

Position Overview:

EvoHealthMD is seeking a Nurse Practitioner to provide mobile wound care in Indianapolis and surrounding areas. In this role, you will manage chronic wounds, perform advanced procedures, and ensure compliance with state law, CMS guidelines, and HIPAA regulations while delivering care in patients' homes and assisted living facilities.

Key Responsibilities:

- Patient Assessments: Evaluate acute and chronic wounds, considering patient history and overall health.
- Care Plan Development: Create and adjust personalized wound care plans based on evidence-based practices.
- Wound Care Procedures: Perform advanced treatments such as debridement and graft applications, and consider biopsies when clinically indicated.
- Pain Management: Develop strategies for managing pain associated with wounds and treatments.
- Patient Education: Educate patients and caregivers on effective wound care techniques and prevention strategies.
- Collaboration: Work closely with physicians and healthcare teams to ensure comprehensive care.
- Documentation: Complete and submit patient records within 24-48 hours, adhering to HIPAA and state regulations.

Qualifications:

- Master's or Doctorate degree in Nursing from an accredited institution.
- Active Nurse Practitioner license in Indiana (DEA licensure a plus).
- Minimum of 1 year of clinical experience in wound care management.
- Wound Care Certification (e.g., CWCN, CWS) preferred.
- Proficiency in advanced wound care procedures, including debridement and graft applications.
- Strong clinical judgment and ability to work independently.
- Excellent communication and interpersonal skills.

Benefits:

- Competitive pay-per-visit compensation (\$125-\$200 per patient).
- Annual performance bonuses.
- Flexible scheduling to support work-life balance.
- Opportunities for continuing education and professional development, including access to training programs and resources.
- Supportive work environment with growth potential as we expand.

Company Culture:

EvoHealthMD values innovation, collaboration, and professional growth. We are committed to fostering a diverse and inclusive environment where all team members feel valued and supported while delivering exceptional patient care.

Application Questions:

- Are you legally authorized to work in the United States?
- Do you have experience in wound care management, and are you NP certified?
- Are you licensed to practice in Indiana?

About EvoHealthMD:

EvoHealthMD, a DBA of Stellar Home Network, specializes in advanced wound care, focusing on chronic wound management and innovative treatments. We are expanding into Indiana and Florida, committed to improving patient outcomes through high-quality mobile care.

Application Instructions:

To apply, please submit your resume and cover letter to sourivanh@evohealthmd.com.
