

## Wound Care Nurse Practitioner

### Position Overview:

EvoHealthMD is seeking a Nurse Practitioner to deliver mobile wound care. In this role, you will manage chronic wounds, perform advanced procedures including debridement and graft applications, and provide pain management in patients' homes and facilities.

### Key Responsibilities:

- Patient Assessments: Evaluate and assess acute and chronic wounds, including patient history and overall health.
- Care Plan Development: Develop and adjust personalized wound care plans based on assessments and evidence-based practices.
- Advanced Wound Treatments: Perform procedures like debridement, biopsies, and apply grafts to enhance wound healing.
- Pain Management: Address and manage pain related to wounds and treatments.
- Patient Education: Educate patients and caregivers on effective wound care techniques and prevention strategies.
- Collaboration: Coordinate with physicians and healthcare teams to optimize patient care.
- Documentation: Complete and submit all documentation within 24-48 hours of patient visits, adhering to HIPAA regulations and state laws.
- Compliance: Ensure adherence to medical rules, regulations, and standards as per state law.
- Quality Improvement: Participate in initiatives to enhance care delivery and stay current with wound care advancements.
- Travel & Mobile Care: Provide care in various settings, including patients' homes and healthcare facilities.

### Qualifications:

- Master's or Doctorate degree in Nursing from an accredited institution.
- Active Nurse Practitioner licensure and certification.
- Minimum of 1+ year of experience in wound care management.
- Proficiency in complex wound management, including debridement and graft application.
- Strong clinical judgment and excellent communication skills.

**Benefits:**

- Competitive pay-per-visit compensation (\$125-\$200 per patient).
- Annual performance bonuses.
- Flexible scheduling to support work-life balance.
- Opportunities for continued education and professional development.
- Supportive work environment with growth opportunities as we expand into Florida and Indiana.
- Access to advanced wound care technologies, including grafts.

**Work Location:**

- Mobile care across Chicago, IL, with expansion into Florida and Indiana.

**Company Culture:**

EvoHealthMD values innovation, collaboration, and professional growth. We are committed to providing a supportive and inclusive environment where our team can thrive while advancing patient care.

**Application Questions:**

- Are you legally authorized to work in the United States?
- Do you have experience in wound care management and are you NP certified?
- Are you willing to relocate to Chicago, IL if necessary?

**About EvoHealthMD:**

EvoHealthMD, a DBA of Stellar Home Network, offers advanced wound care with a focus on chronic wound management and innovative treatments, including graft applications. We are expanding into multiple states, including Florida and Indiana, committed to delivering top-quality care and improving patient outcomes.

**Application Instructions:**
